DECLARATION OF TYLER ALLEN LOFALL

1. I Tylere Allen Lofall am the Plaintiff in this case and I wrote the ordered to rewrite the Complaint on or about March 22nd 2023.

2. I have was I am not an attorney, and the complaint and learning curve to understand where I had flawed in my last complaint took a lot of time to understand.

3. I state that I also have an AOB claim that was in this same court, case number 21cv0575, and I missed trial when I was false arrested and had catastrophic damages to that claim.

4. That claim is up for an appeal and there was an issue with my filings getting lost in salem and I had both claims needing my immediate attention, and I clearly ran out of time, and believe my complaint was due on the 23rd by midnight.

5. I failed to finish this amended complaint on time, however I did communicate with both opposing counsels.

Aand neither objected to me having more time.

6. Neither one Objected, and on April 24th at 2:20 PM I provided them with a copy of the "Third amended Complaint" for this case

7. My filings were rejected back to me on April, 25th and on that same day I am here by resubmitting them.

8. I am here asking the court to forgive my tardiness on realleging my complaint,

"**I hereby declare that the above statement is true to the best of my knowledge and belief, and that I understand it is made for use as evidence in court and is subject to penalty for perjury**."

Respectfully submitted on this 24th day of April,

X /S/ Tyler A. alofall
